Blended Balanced State

I'm going to repeat this post to help people look at situations through the eyes of wisdom and compassion simultaneously.

Compassion without Wisdom can be draining; it gives without discernment and can leave the giver depleted.

Wisdom without Compassion can be cold; it understands the law but forgets the human heart.

Wise Compassion is the Blended state. It is the ability to see exactly what is needed on Earth and provide it with a heart that is anchored in Oneness.

Oneness is the source of the "Discernment." Because you are anchored in Oneness, you aren't looking at a "stranger" (the beggar); you are looking at another version of yourself.

This synthesis is the hallmark of 6th-density awareness—the point where the "polarities" of Love and Wisdom stop competing and start collaborating. This describes the movement from the Ray of Love (Green Ray) to the Ray of Wisdom (Blue Ray), finally merging in the Ray of Unity (Indigo/Violet).

The Practical Difference

Scenario

A beggar asks for money

Compassion Alone gives money every time, even if it's used for self-harm.

Wisdom Alone refuses, stating the beggar is manifesting their own reality.

Wise-Compassion discerns if the person needs money for a meal, or a firm "no" to wake them up.

To clarify- Compassion is the salvation of 3rd density, according to Ra. When it comes to beggars compassion is the best approach but if you see them using drugs with the money then no. This would be wise compassion. Sometimes better to offer food than money.

Chris Comish December 28, 2025 at 5:52 PM

When you offer a meal instead of money, you are planting a seed of True Worth. You are telling that person they deserve to be fed and seen, even if they aren't ready to choose sobriety yet. You are being the Observer who sees the addiction and the Server who feeds the Soul.
